Hello,

**Susan B. Anthony List will score in favor of the Lankford Amendment #3792.** This amendment creates a deficit neutral reserve fund to maintain status quo Hyde and Hyde-Weldon provisions, prohibiting funding for abortions or or funding for federal/state/local entities that discriminate against entities that refuse to participate in abortion.

We will score against any amendments offered to eliminate or weaken existing pro-life policies. **We reserve the right to score other amendments that may come up during the vote-a-rama.** We will attempt to communicate our position in real time as other pro-life or hostile amendments are offered.

For life!
