Subject: SBA Pro-Life America will score in favor of motions to recommit
Date: Friday, July 15, 2022

Good morning,

Susan B. Anthony Pro-Life America strongly supports and will score in favor of votes on the two Republican motions to recommit:

- Child Interstate Abortion Notification Act (CIANA), motion to recommit on H.R. 8297, the Ensuring Women's Right to Reproductive Freedom Act
 - protects minors from being transported across state lines for abortion without parental consent or notification
- Born-Alive Abortion Survivors Protection Act, motion to recommit on H.R. 8296, the Abortion on Demand Until Birth Act (Women's Health Protection Act)
 - establishes requirements for care for infants born alive after botched abortions

We are grateful to Republican leadership and to Congresswoman Wagner and Congressman Mike Johnson, who lead Born-Alive and CIANA respectively.

For life!

Jamie Dangers
